

# The Ten Towers Challenge

29<sup>th</sup> September

*Starting: 12 noon at Selsley Church*

Rev Steve is going to do a tour of 10 of our churches, cycling to them and climbing their towers. “What is this madness’ you ask? We are very short of the money we need to pay our administrator, William Douglas, for 2018. To raise the funds Rev Steve is doing this tour, and hopes you will give very generously. Some people will be cycling with him, starting at All Saints, Selsley and ending at St Mary, Arlingham.

It will be on the **29th September**, after the Team service. The intention is to leave Selsley at midday (12pm) and hope to be finished by 6pm. The route is Selsley – Kings Stanley - Leonard Stanley – Stonehouse – Eastington – Standish – Whitminster – Saul – Fretherne – Arlingham. Steve is hoping to raise £5000 through this initiative. From the 9th September there will be envelopes in the churches in the Team for you to make your donations. The envelopes may be placed in the collection plate and the money will then be transferred to the Standish account to be paid on. Any extra money raised will be reserved for administrative costs. Again, please give generously, as William is being woefully underpaid, and he does a great job. Steve is personally pledging £100 to this fund-raiser—what can you stretch to? The team is working at securing additional funding for next year to supplement the money we already receive from The Sylvanus Lysons Trust.
